COMMITTEE REPORTS

The fall meeting of the Executive Council was held in Silliman Hall last Thursday evening to consider new business for the coming semester. Dr. Wood, Dr. Saunders, Dr. Dale, Mr. Rudd, Mr. Sicard, Alfange, '22, Pope, '22, and Getman, '22, were present.

DeWitt, '23, manager of intramural sports submitted the soccer schedule for 1921 which was approved by the Council. There was a discussion as to the advisability of changing the name of the department to that of Department of Tennis and Soccer.

W. George, '23, manager of the Musical Clubs, brought up for discussion the proposal of having a western trip for the clubs during Easter vacation. It was moved and seconded that the manager go ahead, with the understanding that the Council would approve of the apportionment if plans were successfully arranged.

A. Smith, '22, manager of the Charlatans, asked for an apportionment of \$2,000 for the coming year with the understanding that in concurrence with the policy of previous years, the organization would try to clear all expenses from the door receipts and would turn over all profit to the Executive Council. This apportionment was approved by the Council.

The cross-country schedule for the fall term was submitted by Cannon, '23, and was approved by the Executive Council.

Yates, '23, brought up a tentative debate schedule and asked for an apportionment of \$360.00 to cover all expenses. Both the schedule and the apportionment were approved.

Manager Getman of the football team was granted an extra fund amounting to one hundred and sixty dollars to allow three extra men to accompany the team as substitutes for the remaining trips of the year.

There was a discussion of the plan preventing freshmen competition for all boards and managerships but allowing them to compete for positions on the varsity teams. It was finally moved and carried that the Council recommend to the Faculty that all freshmen be prohibited from competing for any managerial position or any college publication board.

The Council decided to bring up a new plan for the election of managers and assistant managers before the undergraduate association at the next meeting of that body.

The plan embodied quite a substantial change in the method of election

SOCCER TEAM LOSES HARD FOUGHT BATTLE

Syracuse Victorious by Small Margin
—Game Hotly Contested.

Hamilton College soccer team was defeated by Syracuse last Saturday afternoon in its first game of the season by a score of 2-0. The game was played in Syracuse on the old oval. Last year the Syracuse team trounced the Hamilton eleven by a count of 8-0 at Clinton. The game Saturday was a stiff fight from start to finish as the Syracuse team is even stronger this year than last, especially their front line.

Syracuse scored a goal in each half. Captain Burton Shaw scored the first goal on a clean kick. The count was made in the second half by Johnson. Jagger, of Syracuse, who was injured in the early part of the first half, was replaced by Sargent.

Last week the Syracuse team held the strong Oneida Community aggregation, a group of professional soccer players, to a tie, 2-2.

The line-up was as follows:

SYRACUSE	HAMILTON
Cooley, goal.	Keane, goal.
Walton, lf.	Willard, lf.

AUTUMN FIELD DAY PLANS ARE COMPLETED

College to Have Half Holiday—Many
Changes in This Year's Program.

The annual field day, which is to be held October 27, will be of a slightly different character than it has been in the past. There will be no track events between the various classes, but several new events will be featured. One of the events will be a soccer game between men of the two lower classes. Two golf matches will be played, one a faculty handicap, the other a contest between six undergraduate golfers and six alumni, all of whom are professional players. It is expected that the new feature will arouse considerable interest on the Hill. The undergraduate golf team will be chosen next week.

Another event will be the cross-country in which Freshmen and Sophomores will participate. No men will be allowed to take part in the events of Field Day who are on college athletic squads. The exercises will begin promptly at 1:30 p. m. in order that football and soccer practice may not be interfered with. It is hoped that the remaining tennis matches will be played as soon as possible so that the final round may form one of the Field Day exercises.

The authorities in charge of Field Day wish to make it one of the leading features of the fall athletic season. If successful, the practice of having inter-fraternity basketball will probably be revived on the Hill.

DIFFICULT SCHEDULE FOR CROSS-COUNTRY TEAM

To Meet R. P. I. Saturday at Troy—
Engineers Beaten Last Year—
Have Largest Squad in
Country.

The schedule for the cross country team as approved is as follows:

October 22, R. P. I. at Troy; November 5, C. C. N. Y. at Clinton; November 12, Rochester at Rochester; November 19, Colgate at Clinton.

Although Hamilton men beat R. P. I. both in cross country and distance runs last year, Captain Thompson expects to find strong competition in the cross country run at Troy this Saturday. R. P. I. has the largest cross country squad in the country from which to select a team, since all freshmen are compelled to report for the squad.

R. P. I. TROUNCES BUFF AND BLUE

Varsity Unable to Score Against Engineers, Who Run Up Total of
Seven Touchdowns—R. P. I.
Has Strength in Line.

SCORE 49-0

The Buff and Blue team went down to merciless defeat at the hands of the strong Rensselaer eleven in Troy last Saturday. With the breaks of the game against them and quarterback Doyle out of the game because of an injured knee incurred during last week's practice, Hamilton never once made a first down nor came close to scoring. Rensselaer's greatest strength lay in its heavy line, which allowed the stars of the backfield, Eller and Armstrong, to perform in a truly beautiful manner. Eller got off several long punts and kicked all the goals from touchdowns. Captain Fowler played in the backfield for the first time and hit the Cherry and White line hard and often.

First Half

R. P. I. kicked off to the ten-yard line. A safety was nearly scored when Hamilton fumbled on punt formation. Fowler then kicked. R. P. I. made two first downs and then Armstrong scored the first touchdown. R. P. I. kicked off again, Hamilton punted. Fowler intercepted R. P. I.'s forward and Hamilton again punted. Several exchanges of punts resulted and the quarter ended with the ball in the center of the field.

At the start of the second quarter, R. P. I. made twenty yards through tackle by fumbling and recovering the ball. After two successful line bucks, Sparrow skirted the end for twenty yards for the second touchdown. Price substituted for Burns, who was suffering with a turned ankle. After the kick-off, R. P. I. was twice penalized, whereupon they kicked. Hamilton kicked and R. P. I. ran the ball to the 25-yard line. R. P. I. made two first downs in five plays, and with the goal to gain, Wright scored the third touchdown on a forward pass. Spice was substituted for Kelly and White for Davis. R. P. I. kicked off and then Henderson intercepted a pass for the fourth touchdown, the half ending just as he crossed the goal-line.

Second Half

Farrand substituted for Brush. Fowler kicked off. McGiffin messed up a fake forward and R. P. I. kicked. The Buff and Blue were fighting harder now than they had at any time during the game. An exchange of punts followed and then Hamilton missed making a first down by the length of the ball. Another exchange of punts. Pitkin kicked to Eller, who tried a safety kick from the 35-yard line, but missed. The quarter ended

The Campus Beautiful

Hamilton has always boasted justly of a beautiful campus. Visitors to the Hill have gone away with an impression of its beauty indelibly stamped upon their memory.

Any acts of carelessness or neglect that tend to mar the beauty of the campus and render it unsightly are to be sharply censured. There is a tendency among the undergraduates to litter the campus with empty cigarette packages, candy wrappers, papers, and so on. Most of this comes from an unthinking carelessness on the part of the transgressor.

Especially is this debris noticeable in the immediate surroundings of the dormitories. It is there that the litter becomes more plainly evident.

There is no excuse for this.

In the first place there should be no litter there; and in the second place, once it appears it should be promptly disposed of.

There is another matter concerning the appearance of the campus. During the last few years several trees have been cut down in various sections of the campus, and especially before the Chapel. The trees were either dead or diseased and so formed a menace to the other trees in the vicinity. By cutting them down, the authorities removed a source of danger, and in some cases unsightly objects. This gradual removal of trees

is not very noticeable as yet, nor will it be for some years at the rate of cutting. It must not be overlooked, however, that while we are cutting down trees we are taking no steps to replace those that are lost. By neglecting to do this we are endangering the beauty of the campus twenty or forty years hence.

SOCCER TEAM MEETS COLGATE SATURDAY

Maroon Will Oppose Buff and Blue With Strong Team of Veterans.

On Saturday, October 22, the Hamilton soccer team will play Colgate University in the second game of the season. The contest will be on the home field.

The Colgate eleven this year is composed largely of letter men. Only one man, Captain Bodell, was lost by graduation. Five new players have been taken in: Rockefeller at goal, Mullen at right inside forward, Brownell at center forward, and Scott at left outside forward. In spite, however, of this seeming advantage, the team showed in its one game, an 8-0 defeat by Cornell on October 9th, a fatal lack of technique at all points. The Cornell forwards kept the ball well down in the Maroon territory most of the time, and were able to kick goal after goal with little opposition. That the score was no higher was due in the main to the fine playing of Rockefeller at goal. Captain Farnham, at center half, and Brownell and Scott in the forward line, also played noticeably well.

When the two teams meet next Saturday, Colgate will have the advantage or having played two more games than Hamilton, and will be in proportionately better practice. Hamilton has a 4-0 defeat from last year to avenge, and her home field to play on. The result should be a good, fiercely-fought game, well worth seeing.

The probable line-up will be:

COLGATE.	HAMILTON.

to the offices, but no definite policy has yet been adopted. No action will be taken until the December meeting, when a chance will be given for all necessary explanations about the new system. The change will not be made unless by the consent of the Undergraduate Association.

There was a report from the committee formed to supervise the policy and installation of the new college store.

Another committee was appointed, consisting of Dr. Wood, Mr. Prettyman, and Getman, '22, and was empowered to decide upon and order new "H" certificates.

The trustees of St. Lawrence University have taken steps to prepare for an immediate growth of the university. A committee has been appointed "to investigate and consider the immediate and future needs and requirements of the college."

With the Colleges

The enrollment at Amherst this year is placed at 519. The entering class numbers 166 men. There are 102 seniors, 97 juniors, and 153 sophomores. Of the total number 82% are affiliated with fraternities.

Penn State has definitely accepted the invitation of the University of Washington to play a post-season football game at Seattle on December 3.

The Colgate musical clubs are to have their first concert tour at Thanksgiving time. They will give concerts at Albany, New York, Elizabeth, and Tarrytown.

The first issue of the Banter, the humorous publication of Colgate University, made its appearance Saturday. There will be five more issues of the magazine this college year.

Leslie Baker, star pitcher for the United States Naval Academy two years ago, has entered Union as a member of the class of 1924. He will be debarred from pitching this year because of the one year rule in force at Union.

Contests to be played against Columbia, the University of Pennsylvania, Cornell and Georgia, have been named by the Athletic Council of Dartmouth College as the letter games of the 1921 football season. Only one of these games is to be played at Hanover. Members of the freshman football team who play against Dean Academy or the first year men at Penn State or Syracuse will be awarded their numerals.

Williams plans to establish a "Williams-in-China" in the city of Soochow. An intensive campaign to raise money for the project will be started early this fall.

Amherst has been presented with \$150,000 for the purpose of founding six fellowships, according to the announcement made at the Centennial Dinner which was held on June 22. The gift was made by Mrs. J. W. Simpson in memory of her husband, who was a member of the class of '71, and is to be called the John Woodruff Simpson Memorial Fellowship. Under the conditions of the gift, scholarships are to be provided for Amherst graduates who wish to continue their studies, and the schools selected are to be submitted to the approval of the board of trustees of the college.

Plans for a new dormitory at Cornell University have recently been formulated, and an initial appropriation of \$10,000 has been made to date. The construction of the building, which is financed by the alumni of the university, will begin in the spring. This is to be the fifth building in a group known as Baker Court, and all of them have been gifts. The formation of these plans is the realization of a dream that was shattered by the war, and it is now expected that an extensive building program will be launched.

Fall baseball practice has been started at Cornell for the first time in the history of that institution, and already about fifty men have reported to Coach Carney. With the exception of those playing football all the members of last year's varsity squad are out, and an effort is being made to give each one of these men as much individual coaching as possible in preparation for the spring season.

R. P. I. TROUNCES HAMILTON

(Continued from page 1.)

with the ball in R. P. I.'s possession on Hamilton's one-yard line.

Eller scored the fifth touchdown on the first play of the fourth quarter. Hamilton kicked off and Armstrong ran the ball back to the 45-yard line. Eller fumbled and Hamilton recovered. R. P. I. intercepted a forward pass and was forced to kick. Pope played in the backfield to try an end run, but was thrown for a loss, forcing Hamilton to kick. Then came an Eller-to-Wright forward pass, which netted thirty-eight yards, after which Eller made a pretty 10-yard run through guard for the sixth touchdown. Reeder substituted for Pitkin. R. P. I. kicked off. Hamilton again fumbled on the punt formation, but recovered. Hamilton kicked. Then R. P. I. made two successful passes which netted them twenty-two yards. Several Hamilton substitutions were made. Within a few yards of the goal, R. P. I. made four incomplete passes, but got the ball again when they intercepted a Hamilton pass. Benedict finally made the last touchdown and the game ended.

Carpe Diem

Well, competition is the Spice of Life, as Mrs. Murphy said as she clouted her worser ½ over the head. Last week the Ed. put Carpe on the shelf, and took (we wanted to say take, but being in Fancher's Wr. Eng. 7-8, no go) our work of genius to the Psi U furnace. Welcome, Put 'n Take—let's go!

Don't know whether we'll get Alex. Woolecott's 75 bucks for this or not, but it sure has a dramatic punch:

The Worm Will Reverse, or Once to Every Man

SCENE I—Camp Perry in 1918
Sergeant Chrestien: "Hauch (Private), snap inter it and get them potatoes peeled, then scrub up this here floor, wash 10,000 dishes, and if you don't show more speed by the blankety-blank-blunk-blunk," etc.

SCENE II—Ham. Coll. in 1921.
Prof. Hauch: "Chrestien ('23), if you don't show more signs of mental cerebration, human intelligence, and osseous penetration, necessity will compel," etc.

Small little old world, isn't it? But this only goes to prove the truth of the old saying that he who laughs last gets more fun out of it.

Now we'll borrow one from Put 'n Take and add another reason why editors go mad—culled from Gaboon material—(this is a joke):

Jim: "Why can't Reginald go out tonight?"

James: "Because he's dead."

For the Slime at House Party

Be sure to show the one-you-dragged where you sit in Chapel, and also show her the empty classrooms where you recite—this always causes a big thrill.

Be sure to say, "Yeah, the —'s are a pretty good crowd, but they don't run football, baseball, track, etc., like we do." The girls always fall for such a line—especially if they've been up a couple of times already.

Start the party right by spilling water (soup, if preferred) on your girl's dress. This always gets away strong, and the upperclassmen appreciate these thoughtful acts.

If you DO drag a good woman, make all the older men come to you for dances. This will show her how popular you are, and it guarantees you some confidential talks later.

When it's all over, send the chaperones away with some cheery parting like "Don't take any wooden money, till we meet again."

Follow out these directions carefully—and see what will happen.

Speaking of the Gaboon, Put 'n Take, it's our opinion that that first issue didn't need a press agent—it just naturally wormed its way into publicity.

Witness, not a word about the Dekes or Charley Keane this week, and doesn't the column seem rather quiet without them?

Kelly's burst forth again, though. Mulchy: "That guy knows all my people, and even my grandfather and grand-uncle."

Kelly: "Gee, he must have been in prison a long time."

Did you hear a fracas last Thursday night. One almost occurred when the Newman Club met at the Y. M. and at the same time the Masonic Club met at 1 Carnegie. More competition, so to speak.

This thing is a contribution, handed in by a Freshman. See if you can solve it.

If Stink Ferry'd across the river for some Bull Durham and saw a Shepard with a Prettyman sitting on a Davenport, what Wood Howard Berry?

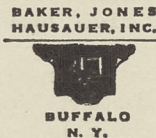

Well, hope you get one—one that can dance like Irene Castle, talk like Mitzi, and looks like Marilyn Miller—that's our girl, but maybe there are two. See you Friday night!

Y. M. C. A. NOTES

The movies are well started and will last through the year if the present support continues. There will be no show this week because of house parties on the Hill.

The Y. M. C. A. is in receipt of some picturesque Chinese scrolls which may be seen in Silliman Hall. They were presented by Paul M. Hamlin, '19.

Bible classes have organized with the view of becoming permanent. Dr. Fitch is in charge of the upperclassmen, while Dr. Wood is supervising the work of the freshman division.

The "Y" is making great strides in vicinity work. Two men from the Hill are engaged in boy's work in the Utica Y. M. C. A.; other men are organizing an Epworth League in Clinton and a Christian Endeavor at Kirkland. A Hamilton man is also assisting in Boy Scout work in Clinton.

By arrangement with the Y. M. C. A. in Utica all speakers that visit the Utica organization will be heard on the Hill this winter.

A vaudeville show will be held next month to clear up the debt of the Hamilton-in-China fund. Those who can help in this program are asked to see Howland, '22.

The college has a sixty per cent membership in the "Y" at present. Men are urged to become members as soon as possible.
